Hugh, I've been since
leaving England with
you. This year, in fact
I've been damn well
knowing you. Best
luck in every
thing you do.
Cyril

Hugh,
I've really been
nice knowing you.
Here's hoping you'll
have the best of luck
always. Marion M.

Dear Hugh -
 I have been a little
 easier on my English
 papers but I think you
 got the best of it. I hope you
 really deserve it. Best of everything

Foreword

This year marks the twentieth anniversary of our beloved Alma Mater. If, fellow students, we can adapt ourselves to this ever changing ultra-modern world — keeping nevertheless the heritage of a glorious past, then our years together will have been well worth while and this book will be the pictured memory of three golden years.

Hughy your mist - good
boy and I've enjoyed knowing
you very much. I hope you
have the best of everything always
best of luck

ALMA MATER

Sons of Plant and glory,
Fear no battle gory,
Nor retreat from enemy.
To gold and black victorious,
And our honor glorious,

We will pledge our loyalty.
Never will we bow to victor's heel,
Never will the Panther lowly kneel,
Courage never dying, colors proudly flying,
We'll sweep on to victory.

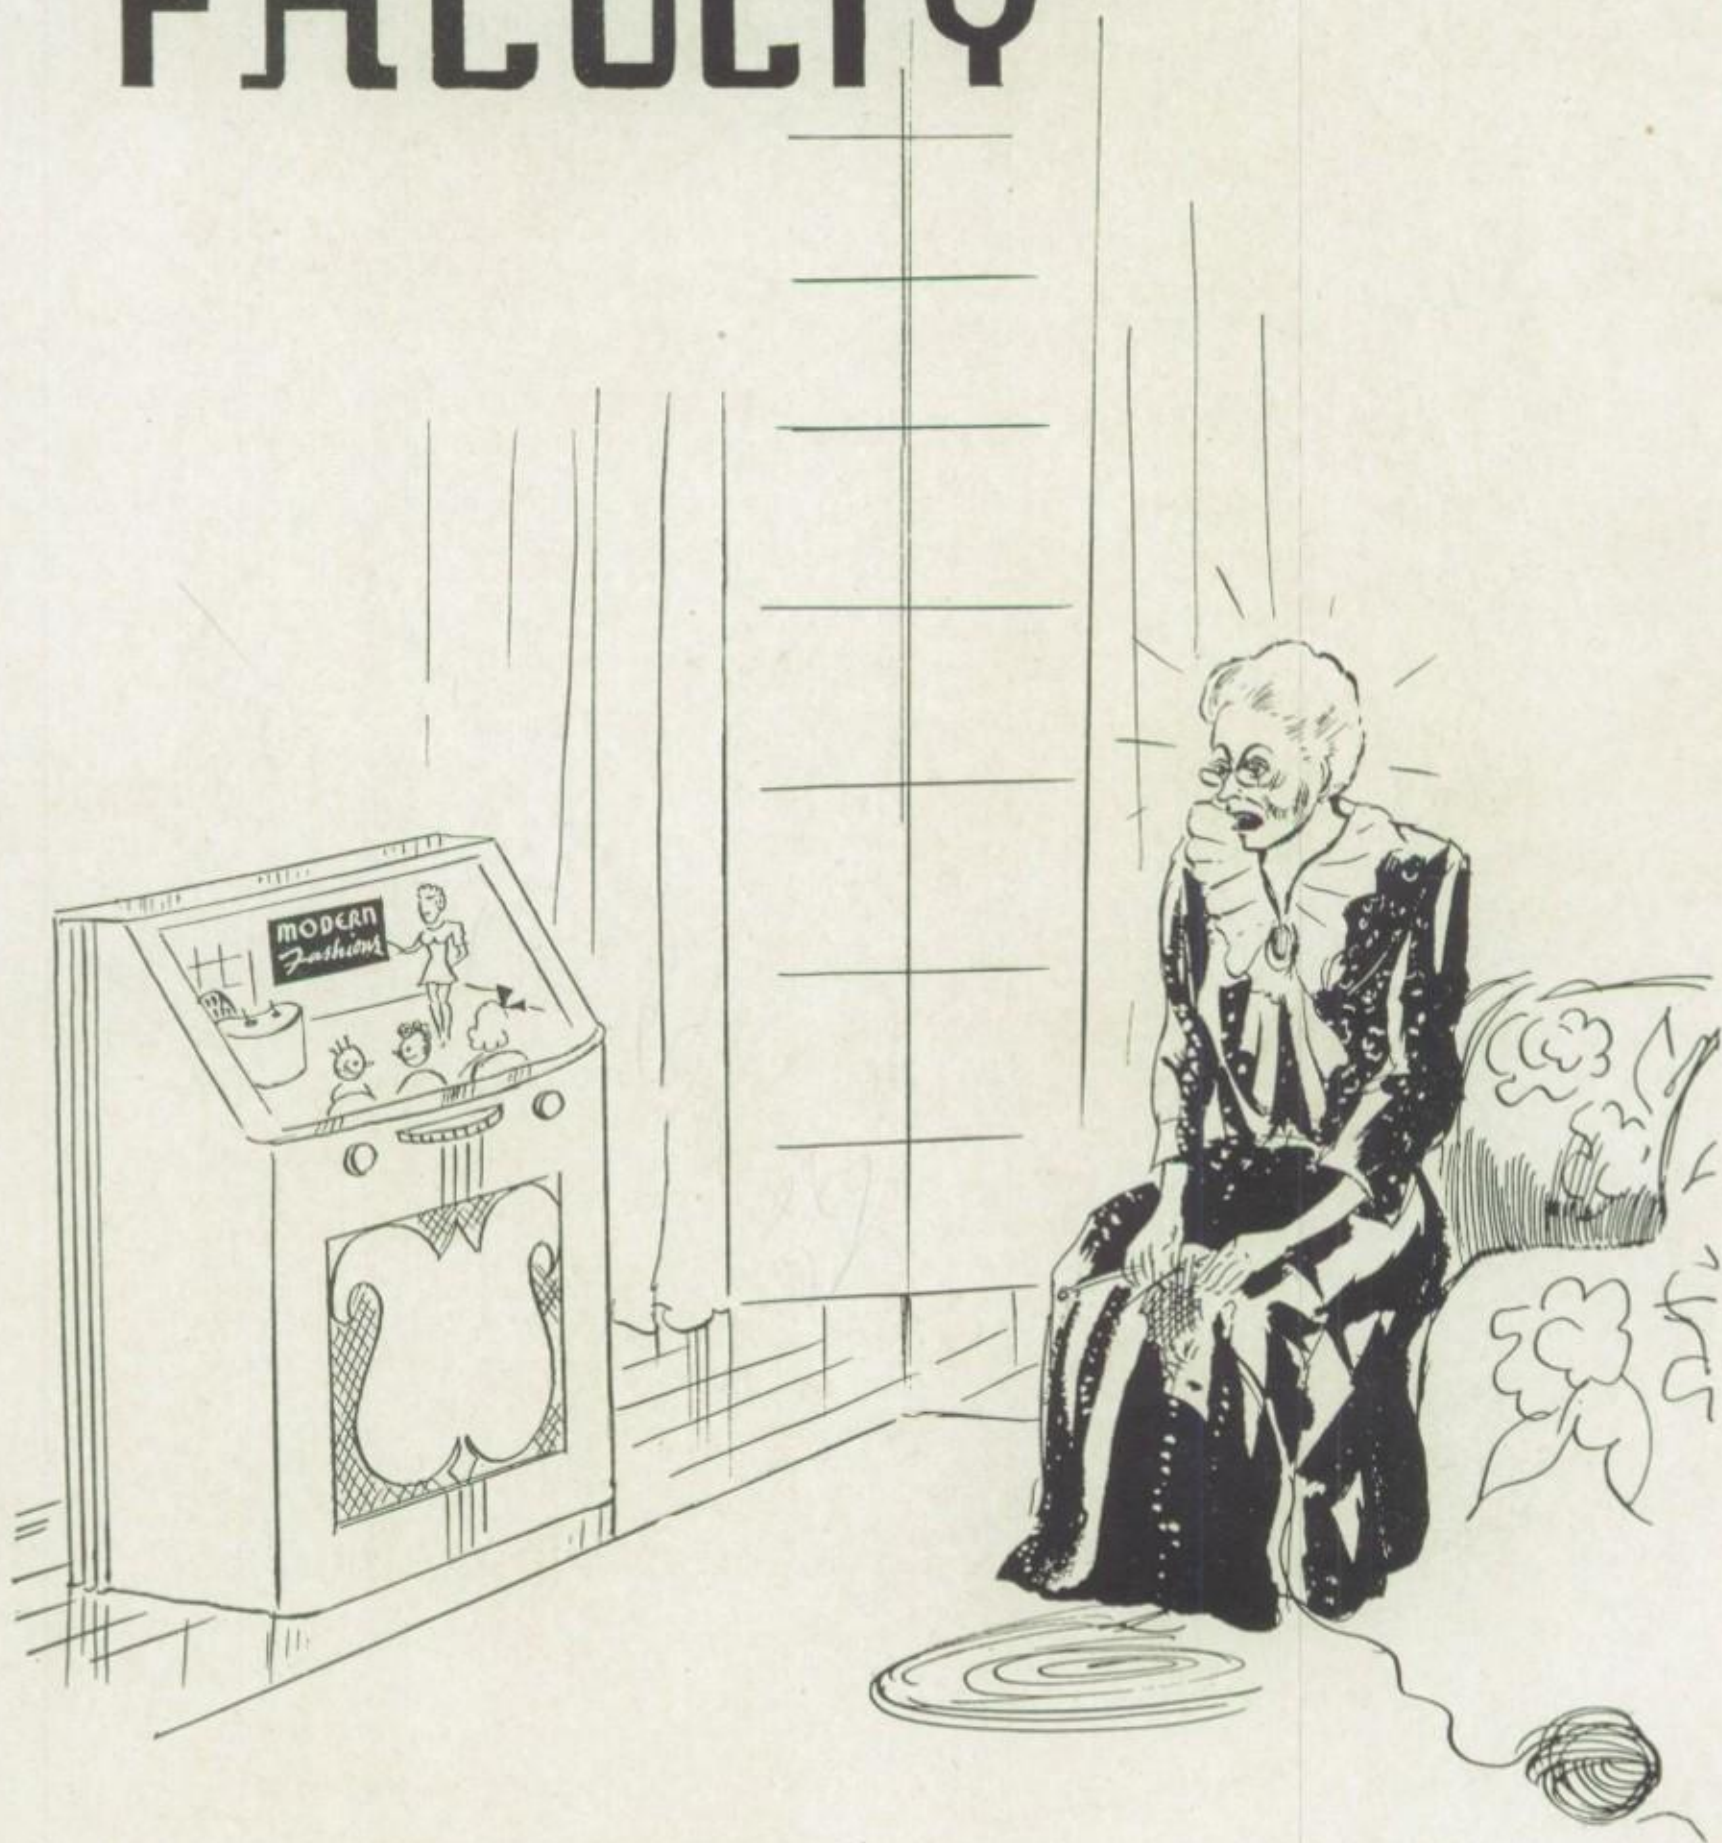

DEDICATION

Good going, Mrs. Sewell!
L. Sewell

To Mrs. Sewell because of her kindness and understanding, because of her sympathy and her willingness to see the other fellow's point of view, because of her ability to teach math to even the slowest of us, because she is a teacher whom we delight to honor, we, the senior class of 1948, lovingly dedicate this 20th edition of our annual, "The Panther."

HISTORY OF THE JANUARY SENIOR CLASS

The time has come to bid our school a fond farewell. As we members of the graduating class of 1948 stand at the parting of our ways, we stop to take one last look at the path we have so proudly trod together.

In the dim distance we see ourselves as we walked for the first time through the halls of Plant as midgets in a world of intellectual giants. We see ourselves as hideous little girls—with stringy hair, pale cheeks, and colorless lips, followed by bashful boys with flying shirts and close cropped hair! We were truly at the mercy of the sophisticated upper classmen, who required that we learn the rules and regulations, which Plant students hold so dear. We watch ourselves as gradually recovering from our total bewilderment, we take our places in the academic, athletic, and social activities of our school. Some of our success seems to have resulted from our choice of officers, for in Home Room 107, Doyle Waldrop was chosen as President, Catherine O'Terra, Vice-President, and Betty Phillips as Treasurer, while in Room 105, Grace Benham, Tom Allen and Marjorie Bourne filled these offices.

And now we catch a nearer view of ourselves as we seem to be sitting on top of the world, no longer little Sophomores, but strutting Juniors, masters of such things as home work, exams and admit slips, taking active part in Assembly programs as well as lunch room capers. The thrills of our first season of football are well worth the ruined throats, which are beginning to recover when again we lose our voices at the basketball games. However, this does not prevent us from passing our final exams and we gladly leave our Junior year.

Is it possible that we have become dignified

Seniors? Here we are and justly proud of our attainments. Since home rooms 107 and 105 have joined together as one large graduating class in room 102, we have loads of fun with Walter Baldwin as President, Trula Stevens, Vice-President and Marjorie Bourne, Secretary. From our numbers have been chosen worthy members of the many extra curricular activities to be found on the campus. We are ably represented in the Student's Council, President's Cabinet, National Honor Society, The Order of the Gold and Black, I Dare You, Thespians, Key Club, Letterman's Club, G.O.C., Kiwanettes, Youth for Christ, the Camera and the Science Clubs. We have important positions on the staffs of the Pep O' Plant, our school paper, and the Panther, our annual.

Each year our class has chosen maids, courtiers and court witnesses, and this year Grace Benham, Walter Baldwin, Marjorie Bourne and Tom Allen graced the Royal Court of Pantherilla. Walter Whitehead and Walter Baldwin were our athletic stars and led us to many victories. Tom Allen was elected to represent the school as Junior Rotarian, Earl Smith was chosen Junior Lion, while George Menendez and Marjorie Bourne have served well as Cheerleaders. Our R.O.T.C. officers were Tom Allen, Howard Levester, George Galvin, Bobby Carastro and George Menendez. Marjorie Bourne and Grace Benham were chosen as their sponsors. Bobby Gonzalez and Florine Fleishman represented us in the Band.

And now our final backward look has been taken, and with hearts filled with affection for our faculty and for our other friends—whom we leave behind, we say "Farewell," and proudly take our places among the Alumni of Plant High School.

HISTORY OF THE JUNE SENIOR CLASS

The month of June, 1948, sees another class ending its high school days. Plant has given us many wonderful memories to carry with us through life and we sincerely hope that we have served her well.

The National Honor Society, the members of which are chosen for scholarship, leadership, character, and service claimed Anne Ansley, Ann Bryan, Andy Duncan, Martha Metzger, Laura Mickler, Virginia Milian, Mary Jane Murray, Jeanne Moreau, Regina Waterman, Hilda Parado, Richard Flood, Dominic Roccaforte, Vernon Ellis, Bill Abbott, Caryl Grant, Sylvia Erickson, Barbara Cross, Janet Krickbaum, Betty Gregory, Betty Middleton, Jane Freel, Dorothy Bevis, Laeta Wentworth, Susan Pinkston, Elmira Vogtman, Marian Connelly, Audrey Doll, Mary Eleanor Tidwell, and Virginia Hawes.

During our Senior B term, Bill Abbott and Phil Perkins served as President and Vice-President, respectively, of the student body. Phil presided as president of the Southern Association of Student Governments Convention in Corpus Christi, Texas this year. We feel that student government is a very important phase of our education.

Those who made all "A's" and thus became members of the I Dare You Club are: Ann Bryan, Martha Metzger, Jeanne Moreau, Mary Jane Murray, Ann McCranie, Nancy Wilkes, Betty Gregory, Anne Ansley, Susan Pinkston, Laura Mickler, Andy Duncan, Helen Maddox, Laeta Wentworth, and Jane Freel.

In the fall of '47, Mary Jane Murray was chosen to edit the Pep O' Plant. Other members of the staff were Jeanne Flynn, Jan Stayer, Mary Jim Pickard, Betty Middleton, Joy Marley, Isabel Lord, and Betty Cobb.

Not only did we develop character, but we also leaned toward physical fitness with Walter Conrad, Bill Abbott, Bob Richardson, Harry Herrington, Russell Hartley, John Lynn, Genaro Huerta, Frank Hunt, Bob Hewlett, and Bryce Terrell leading the gridiron list.

The following students showed their leadership as they became presidents of various organizations:

Martha Metzger, president of Thespians and I Dare You; Mary Jane Murray, president of Y-Teens; Phil Perkins and Vernon Ellis, presidents of the Honor Society; Laura Mickler, president of the J.A.C.; Betty Middleton, president of the Literary Club, and David McLean, president of the Camera Club and also president of the Junior Academy of Science, for the State of Florida.

One of the outstanding honors a school can bestow upon a student was received by Russell Hartley, when he was appointed Cadet Lt. Colonel of the R.O.T.C.

Entrance in the Gold and Black is made possible by collecting over 400 points gathered through various activities. Andy Duncan, David McLean, Ann Bryan, Phil Perkins, Mary Jane Murray, Paul Game, Nancy Wilkes, Barbara Cross, Laeta Wentworth, Laura Mickler, Audrey Doll, Frances Bixler, Jeanne Moreau, Betty Middleton, Martha Metzger, Jim Kennedy, and Helen Holmes are those who earned points for membership.

Joan Merrin was appointed director of the new art staff and Virginia Hawes represented the art department on the President's Cabinet. Senior members of the staff are: Rosanne Loy, Pete Roddenberry, Ray Royster, Mary Eleanor Tidwell, Deana Casey, Ora Kate Cannon, Lester Coons, Edith Davis, Betty Jo Batton, Bill Peters, Luke Turbeville, Carol Farie, Mary Jim Pickard, Jean Almond, and June Tison.

Ann Bryan was chosen to edit our 1948 *Panther* with the following staff to assist her: Andy Duncan, Ann Hawkins, Virginia Acheson, Helen Holmes, Bobby Singleton, Regina Waterman, Elmira Vogtman, Laura Mickler, Marjorie Moritz, Dorothy Bevis, Trula Stevens, Walter Whitehead, Bob Hewlett, Libby Cloeman, Suzanne Lowry, Paul Game, Jean Lewis, Laeta Wentworth, Russell Hartley, Audrey Anderson, Barbara Cross, Ann Hunnicut, and Helen Maddox.

Our high school days at Plant are now concluded and we realize that our affection for her will always be great. We look into the future, feeling better equipped to meet it because we have been students here. We will always carry a part of her in our hearts, earnestly hoping that she will carry our memory in hers.

SENIOR B HISTORY

We of the Senior B Class will soon enter our final semester. During our two and a half years of faithfully serving our Alma Mater, we have made outstanding progress.

We are proudly represented in the National Honor Society by Linnore Olsen, Bob Tait, and Frank Carter. Linnore is also a cheerleader, a member of the I Dare You Club, and the Gold

and Black. Suzanne Davis is an active member of the all "A" club, the I Dare You.

When Louis Caro was a sophomore he became a member of the varsity basketball squad. This year he was also active in football and was appointed alternate captain of next year's team.

Thus our class history ends, with each one of us eager to maintain the standards set by preceding members of the Senior class.

JUNIOR A HISTORY

With the completion of two years of High School, the Junior A Class looks back on a fine record and also looks ahead to additional achievements.

First in line to report its activities is Home Room 108 which has as its capable officers: Bill Hearne, President; Dot Jordan, Vice-President; Sue Kirven, Secretary, and Bookie Kuhn, Student Council Representative. The members of the class have joined the different clubs and have supported all school activities. Bill Hearne was chosen to go to Corpus Christi. He is also President of "Youth for Christ" and is an outstanding member of the basketball team. Dot Jordan and Jane Hook made the "I Dare You" Club. Bob King and June Keirstead take an active part in the Little Theatre while Bob is also President of the Dramatic Club

and President of the Thespians. Helen Johnson and Sally Lowry are members of the G.O.C. John Lawson is a member of the Key Club and Joe Knight is a member of the Science Club. Fifteen members of the class were on the Semester Honor Roll.

Next in line of reports is Home Room 105 which is well represented in all phases of school activities. Their officers are: Don Gould, President; Pete Milian, Vice-President; Carol Jean Carter, Secretary; and Joyce McLeran, Student Council Representative. Don Gould, Pete Milian, and Buddy Ennis were again on the football team. Don also played basketball and Buddy was on the track team. Jay Fleming represented his Home Room on the swimming team and Jack Greene was an active member of the rifle team. Carol Jean Carter was tapped into the Kiwanettes this year.

JUNIOR A HISTORY (Continued)

Home Room 100 chose as its President Bobby Benson, who was assisted by Vice-President Russell Bogue; Secretary Betty Jean Brawley; and Student Council Representative, Jimmy Arango. Virginia Arango, Mary Lib Barlow, Jo Bramlett, Alice Belden and Betty Jean Brawley are all members of "I Dare You" and Russell Bogue is a member of the Key Club.

The able leaders of Home Room 214 are Burt Clark, President; Carol Wilhide, Vice-President; Jean Hutchings, Secretary; and Walter Weaver, Student Council Representative. On the athletic field this class is represented by David Hyman and Jimmy Wright. Marilyn Wingo is a member of the Thespians and Kiwanettes. Joyce Wiltse is an active member of "I Dare You." The other members of the class are active in such organizations as Camera, Science, Literary, Y-Teens and Youth for Christ Clubs.

Home Room 205 has made a record for itself in all phases of school life under the leadership of its officers: Gene Stuart, President; Fred Watson, Vice-President; Jean Stallings, Secretary; Patsy Sisson, Treasurer.

Home Room 104 selected the following officers: President, Patsy Delaney; Vice-President, Roger Hayes; Secretary and Treasurer, Wilma Cowart; and Student Council Representative, Jimmy Cleotelis. Joyce Wamble and Helen Coles are members of the "I Dare You" and Helen and Wilma Cowart were initiated into the National Thespians.

In the fall these students will again resume their studies and will strive to make their Senior year so successful that they will be a credit to their Alma Mater.

JUNIOR B HISTORY

We, the members of the Junior B class, are winning honors in Plant and we hope to add many more as we progress.

Those chosen to lead us are: President, Arnold Lewis; Vice-President, Bob Lowery; Chaplain, Evelyn Sapp; Secretary, Margaret Bruce; and Pep O' Plant Reporter, John Nance.

Arnold Lewis was very active in both football and basketball. Cabby Childress won a letter on the swimming team.

Now we have enumerated our honors and we are anxious to resume our activities for our remaining year and a half in the halls of Plant High School.

SOPHOMORE A HISTORY

Although we have been at Plant for just one year, we, the Sophomore A Class, have proved ourselves one of the most progressive grades in school.

At the beginning of the year, Home Room 101 held its first meeting and elected the following officers: Johnny Boushall, President; Patti Boring, Vice-President; Joanne Belle, Secretary; Girard Anderson, Treasurer and Anne Blake, Pep O' Plant Reporter. This room was one hundred percent in the drives for Tuberculosis, Red Cross, March of Dimes, and Community Chest.

In Home Room 106, Thad Brooks acted as President; Bob Bryan was Vice-President; and Carolyn Calhoun was Secretary. Every Thursday interesting programs were planned by Dorothy Cleotelis.

A very promising athlete from this Home Room is Jerry Cigarran. Herbert Buckley is assistant basketball varsity manager.

Home Room 116 reports that Larry Goodrich not only was Home Room President but also was manager of the varsity football and basketball teams. The Home Room Vice-President was Bob Goodman and the Secretary was Renie Hall. Renie was a substitute cheerleader for the games this year. Mary Lou Hagerman and Bobby Gooding were majorettes and many other girls were in the Thanksgiving Day Drill Squad.

Elected to lead Room 118 were Dolly Leinback, President; Luke Johnson, Vice-President; Polly Linback, Secretary; Jackie Houston, Chaplain;

and Ann Lesley, Pep O' Plant Reporter. This room achieved third place in the Pep O' Plant Drive, with more than one hundred per cent, and second place in the P.T.A. Drive.

Home Room 120 chose as its officers Albert Mealey, President; Jack Pepper, Vice-President; Frances Nab, Secretary; and Dorothy Miller, Chaplain. Several students are club and band members and some of the girls marched in the Thanksgiving Day Drill Squad.

In Home Room 202 Walter Smoak and Pete Scaglioni served as President and Vice-President, respectively. Cecil Thompson was class Treasurer and Virginia Sumners was Chaplain. Two members of the Dramatic Club from 202 are Gentry Shell and John Swindoll. In the Y-Teens are

Dorothy Seaton, Shirley Shepherd, Ann Shaffer, Jean Simpson, Chloe Jean Snow, Liza Silver, and Naomi Shockley. Mary Thom was the Majorette Club President, and Elizabeth Swarty and Othella Sherman were members of the club.

The class officers of 206 were Bobby Whitaker, President; Bill Whilden, Vice-President, and Margaret Walker, Secretary. The Sophomore Class sent Bobby Whitaker as a representative to the S.A.S.G. Convention in Corpus Christi, Texas. Charlie Wiehrs held a prominent position on Plant's basketball team.

This is certainly an imposing list of honors for a Sophomore Class. When we return as Juniors we have resolved to do even better for ourselves and our Alma Mater.

SOPHOMORE B HISTORY

On February 2, 1948, twenty-nine frightened little Sophomores started their first year at Plant High School. Our time here has been short, but already we are taking our places in the school's activities and hope to prove ourselves to be worthy members in all phases of school life.

As our officers, we have chosen Billy Ray as

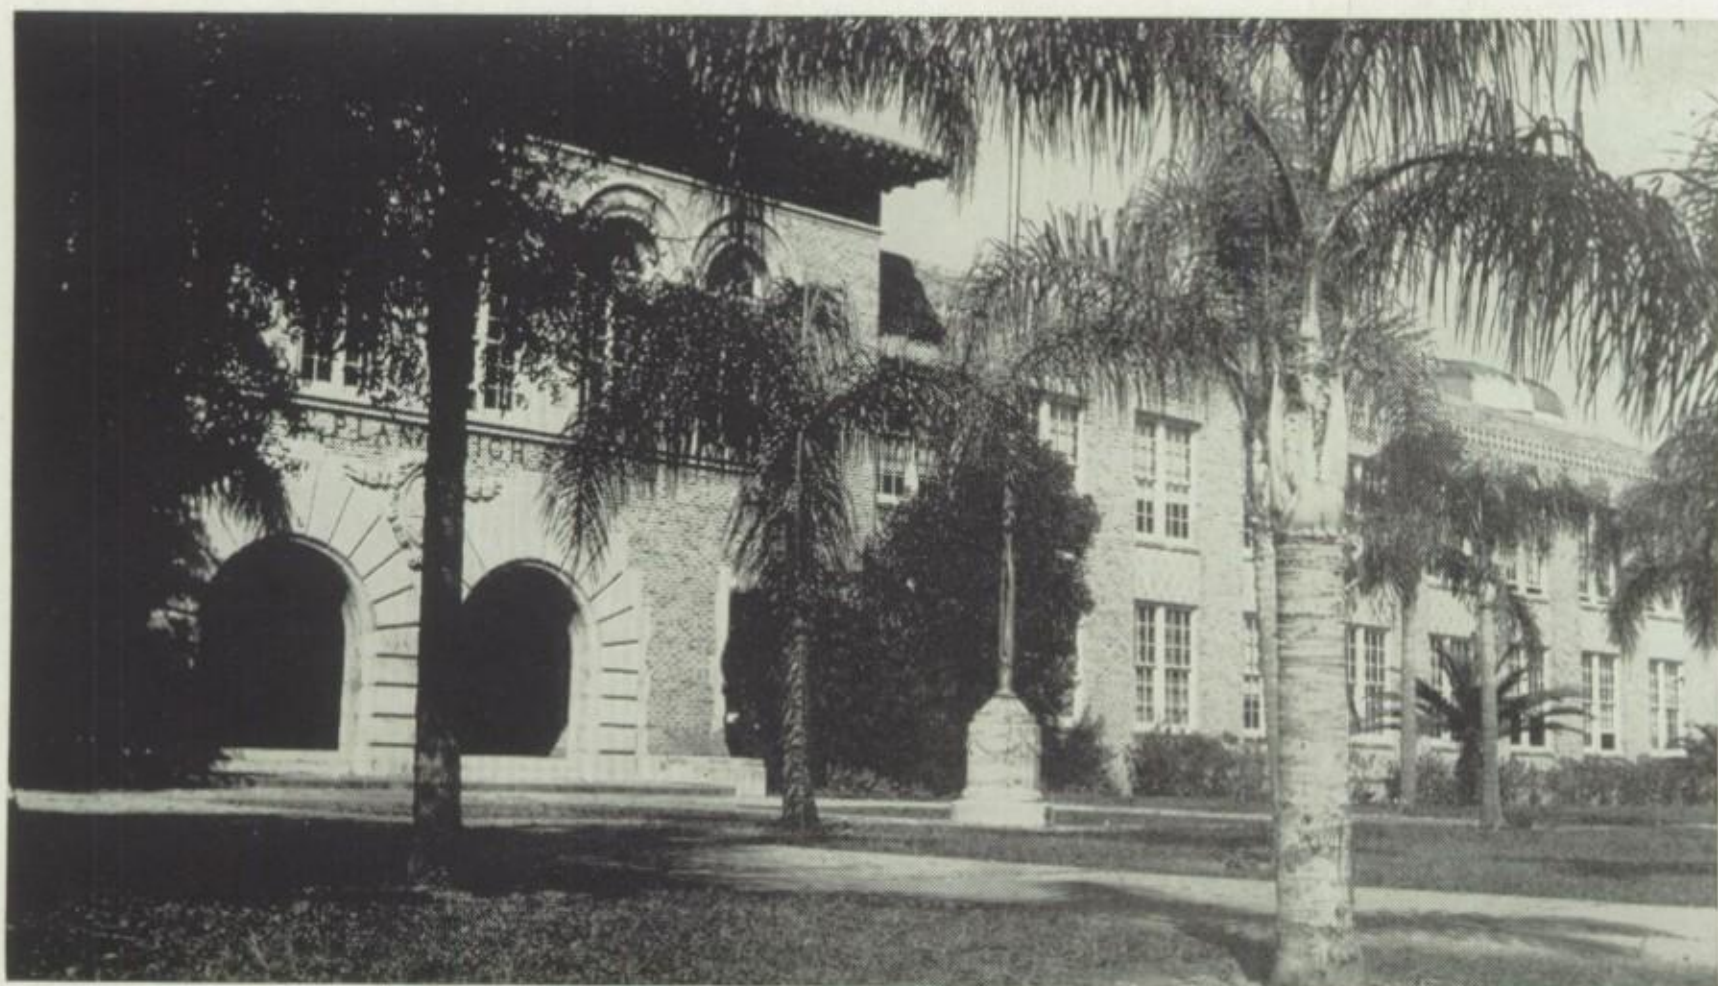

President, Jan Rivers as Vice-President, James Weaver as Secretary, and Dolores Lado, Sergeant-at-Arms. With such capable officers we hope to make a name for ourselves in Plant High School.

After our summer vacation, we will come back ready to prove ourselves another outstanding Plant High class.

PRESIDENT'S CABINET

The President's Cabinet is the governing body of H. B. Plant High School which deals with all problems of school management. Appointments to the Cabinet are made by the president of the Student Body, the principal, and the adviser. Each member heads a different department.

Plant High School was President of the Southern Association of Student Governments this year, and was in charge of all activities at the convention in Corpus Christi, Texas. Phil Perkins presided at the general assemblies. Plant's other delegates were Linnore Olsen and William Hearne. The purpose of the convention was to promote student govern-

ments and a better spirit of cooperation among high schools in the South.

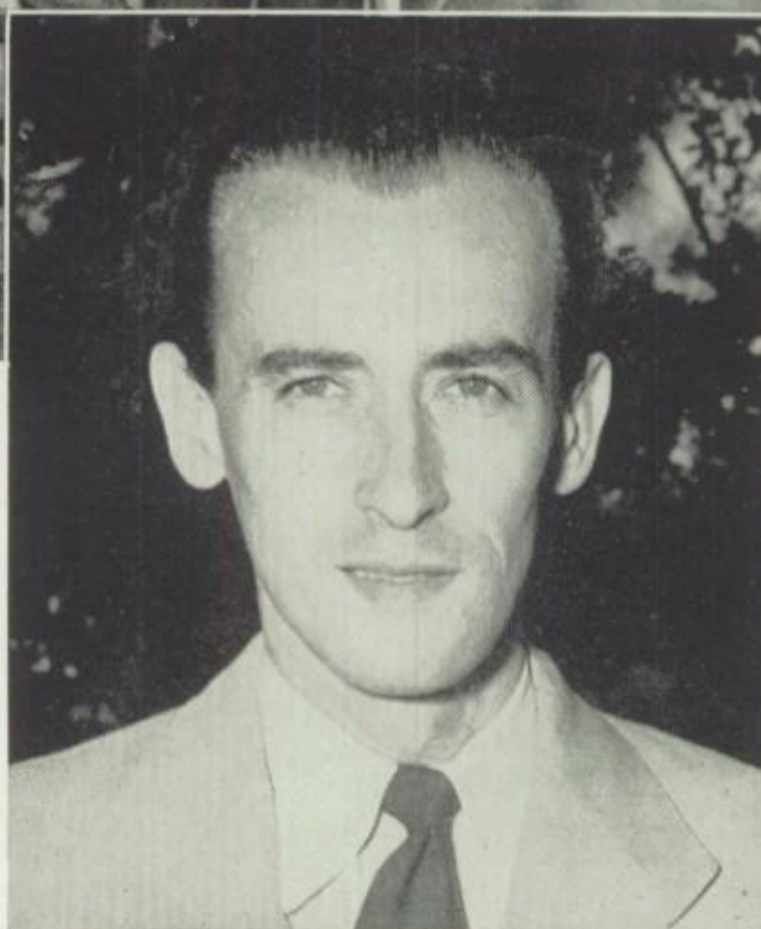

Bill Abbott served as president for the first semester; Phil Perkins, vice-president; Grace Benham, secretary, and Paul Game, treasurer.

Those heading the various departments were as follows: Nancy Wilkes, Frances Bixler, Walter Grahn, Virginia Milian, Tommy Koulouris, Vernon Ellis, Martha Metzger, David McLean, Tom Allen, Jan Stayer, Audrey Doll, Mary Jane Murray, Martha Bowen, and Walter Baldwin. The Sponsor is Mr. William Lucka.

PLANT DELEGATES WELCOMED AT CORPUS CHRISTI

On November 10th Plant delegates from the Student Council flew to Corpus Christi to take part in a South Eastern Regional Meeting of delegates from High School Student Councils. This picture was taken when Joe Arnold, president of the Student Council of Corpus Christi High School, welcomed Mrs. Sewell, sponsor, Phil Perkins, Bill Hearne, Bob Whitaker, Genevieve Bond, Laura Mickler, Linnore Olsen, and Mrs. Roy McLean, St. Petersburg sponsor. A special police escort from the airport caused this group to feel that they were truly welcome "Deep in the Heart of Texas." We have been assured that Phil presided over the meetings with great dignity and executive efficiency.

STUDENT COUNCIL

The purposes of the Student Council, the legislative branch of the student body, are to encourage participation in the administration of student affairs and to promote the general welfare of students in Plant High School.

Each homeroom elects one representative, who brings suggestions from his homeroom before the council and returns with its decision. At least once every six weeks a regular meeting is held, but special meetings may be called by the President of the student body, the presiding officer or by request of a majority of the representatives.

Although passing regulations for the government of the school is the major function of the organization, the group also confirms the appointments of the President and may impeach any officer.

Phil Perkins served as President during the fall term and appointed Linnore Olsen, Secretary. A faculty representative, Mrs. Lorraine Sewell, and the principal offer full support and cooperation, but have power to veto when necessary to promote the general welfare.

Left to Right—D. McLean, F. Bixler, P. Perkins, N. Wilkes, L. Olsen, D. Gould, M. Sommers, R. Bogue, E. Vogtmann.

HONOR COURT

The Honor Court, which is the judicial branch of the student government, was formed in the fall semester of 1943 and consists of representatives from the Senior, Junior and Sophomore classes. These representatives are chosen with great care by the Chief Justice, who is appointed by the President of the Student Body.

The purpose of the Honor Court is to promote honesty and to establish a higher standard of honor in Plant. The organization's only aim is to impress upon Plant High students the importance of honesty.

The members of the Honor Court are:

No higher honor can be accorded a Plant High School student than to be taken into the National Honor Society. Plant's Honor Society is under the sponsorship of Mrs. Beatrice Allgood.

Fifteen per cent of the senior class enrollment are selected for membership: 5% when they are Junior A's, 5% when they are Senior B's, and the remaining 5% when they are Senior A's. A special candlelight ceremony in the school auditorium is used for the initiation.

The necessary qualifications of the candidates are as follows:

1. Character
2. Scholarship
3. Leadership
4. Service

For its main project this year, the Honor Society has had members to help those students who desire and need help in different studies. This help, the society hopes, has curbed unnecessary failures.

Another project was helping the children at the Children's Home during Christmas. Toys and clothes were collected and given to the children, via Santa, Christmas morning.

THE ORDER OF THE GOLD AND BLACK

The Order of the Gold and Black was organized December 15, 1943, by the President's Cabinet of Plant High School. This club has a five point program: co-operation, dependability, initiative, leadership, and service. The chief objective of the club is service to the school. Other things being equal, the officers and members of the Gold and Black are selected on the basis of service rendered to the school.

Among other things this club has in the past two years installed an electric drinking fountain and a plaque with the names of our war dead and has equipped an audio-visual room. This year the project of the club is to lay a concrete walk between the school building and the gymnasium.

The members are Dolly Albok, Grace Benham, Frances Bixler, Marjorie Bourne, Barbara Cross, Audry Doll, Paul Game, Helen Holmes, Jim Kennedy, Martha Metzger, Laura Mickler, Betty Middleton, Jean Moreau, Linnore Olsen, Laeta Wentworth, and Nancy Wilkes.

"I DARE YOU" CLUB

To secure membership in the "I Dare You" club, students must obtain an all "A" average in their studies for one semester. Members try to develop themselves not only mentally, but also physically, spiritually, and socially. These principles are based on the ideals set forth in William Danforth's book, "I Dare You." The group "dares you" to reach these standards.

At the beginning of the year a tea was held at the home of Miss Myrtle Gilliland, the club sponsor, to recognize new members.

In November the "I Dare You" club was invited to a dress rehearsal of the Little Theatre production, "Ten Little Indians."

During the first semester the club went along with the Honor Society in helping failing students.

A committee was appointed to place the twelve benches, a gift of the 1947 graduating class, on the campus. Members have also corresponded with former "I Dare You's," who are in college to inquire if they are maintaining their high scholastic record.

KIWANETTE CLUB

The Kiwanette Club of Plant High School is under the supervision of the Kiwanee Club of Tampa. It is composed of twenty girls chosen for their outstanding leadership, character, service, and scholarship. In promoting friendship and leadership the Kiwanettes are living up to their motto, "We Serve."

On the third Tuesday of each month a joint meeting is held in a downtown cafeteria with Hillsborough, Jefferson, and Plant acting as alternate hostesses, each planning a program.

In the fall of 1947 we installed the following officers:

<i>President</i>	- - - - -	MARJORIE BOURNE
<i>Vice-President</i>	- - - - -	HELEN HOLMES
<i>Recording Secretary</i>	- - -	GERRY STRUTHERS

THE KEY CLUB

The Key Club, under the sponsorship of Mr. Lucka, has set as its standard for the year the maintenance of the beautification of Plant's yards, grounds, and surrounding areas. A visible improvement has been seen in many instances along these lines and it is hoped that the initial interest given to the matter of keeping our school area in a constant presentable appearance will develop into a commendable tradition with future Plant High students.

With Walter Baldwin at the helm of this year's Key Club the aims and purposes of the organization were fulfilled.

Six members attended the State Convention of Florida Key Clubs at St. Petersburg on December 7th, 8th and 9th and brought back a wide number of suggestions and corrective criticism for our own chapter at Plant High School.

Officers for the first semester were:

G. O. C. HISTORY

Entering into its fourth year as a chartered club of Plant High School, the Girls' Officers Club still is maintaining its guiding course in all physical education classes. Captains and Lieutenants of all periods are eligible for membership. Piloted by Mrs. Julia Lane, head of the physical education department, the club has grown into an aggregation esteemed for its dependability, sportsmanship, and leadership.

Each year the G.O.C. undertakes many worthwhile projects for the betterment of the school and a congenial atmosphere among the girls. Each Thanksgiving the members are expected to participate in the Drill Squad which, this year, was composed of two hundred ten gold and black clad feds who put on a fine exhibition of precision

drill headed by Marilyn Nava and Joanne Young. Annually a corps of program-sellers is organized from members of the G.O.C. These girls do an efficient job of selling football programs at all Plant games played in Tampa. Very often this club is called upon to provide entertainment for P.T.A. meetings. Each year a spaghetti dinner is prepared and zealously devoured by members—funds coming from dues paid through the year. Every activity, in or out of school, is looked forward to with enthusiasm by all girls.

Mrs. Lane's good-natured guidance and ever-present patience and discretion are continually fashioning the girls of Plant High School, the women of tomorrow, into respectful, ambitious, and tolerant citizens.

LETTERMAN'S CLUB

The Letterman's Club of Plant High School is composed of boys whose achievements in some athletic field have been outstanding enough to earn them the coveted letter "P" in that sport.

Each year at the end of the football season a large banquet is given in honor of all boys who have been out for football. The cheerleaders serve at this banquet where Mr. Peters, sports writers, and alumni are cordially invited. Letters are awarded to all football players who have fulfilled the requirements necessary and to all senior boys who have been out for football three years.

Letters are awarded in basketball, track, golf, tennis, and swimming. Letters are also awarded to outstanding managers of each athletic field.

Principal C. Phil Peters is an honorary life member and Coach Jimmy Hughes is the club sponsor.

Y-TEENS

The Y-Teens have participated in many activities during the year under the guidance of Mrs. Opal Dudley, sponsor, and Miss Ann Bellows, Y-Teen secretary. The year began with a "Tri-City" conference held with other Tampa Y-Teens, St. Petersburg, and Clearwater at Camp Ma-Wi-An. At that time the future projects of the organization were discussed.

Plant's membership drive began with the annual tea to introduce the ideals of the club to new students. Later in the year a joint mother-daughter tea was held at the Y.W.C.A. to give the girls and their mothers a chance to visit the "Y."

The programs of the year were highlighted by guest speakers and a fashion show. The latter was presented by club members.

Three main projects were the "Big Sister" idea to introduce new girls at Plant; the booth at the Y.W.C.A. bazaar at which Switzerland was represented; and the annual Christmas pageant. The theme for the programs at the regular club meetings was "self-improvement."

J . A . C .

The Junior American Citizens Club was organized in 1946. It is a National organization sponsored by the Daughters of the American Revolution.

To join the group, prospective members were required to write an essay on "What The Junior American Citizens Club Will Mean To Me."

The object of the club has been the mental improvement of its members in the study of United States history. The members have attempted to obtain intelligent and unselfish participation in

the duties of citizenship by means of discussion, by practice of patriotism, and by good citizenship. Their motto is: "Justice—Americanism—Character."

LITERARY CLUB

The purpose of the Literary Club is to help promote an interest in good books and authors. Membership in the club is limited to forty members from the Junior or Senior classes. Prospective members are requested to submit an essay on some literary subject, and students who write the best essays are chosen for membership. Club dues are twenty-five cents each semester.

Programs of book reviews, book quizzes, and talks on books and reading are presented at each meeting. The Club is a member of the Young

People's Division of the Literary Guild and receives a new book each month. All Literary Guild books are circulated among the club members.

SCIENCE CLUB

The purposes of the Science Club are: to promote not only interest but active participation in science; to develop each member into a successful citizen; to better mankind; and to universally spread the truth.

Our projects this year will touch phases of Chemistry, Physics and Biology. We shall study and discuss such problems as jet propulsion, atomic energy and others. In developing these subjects, we will study the commercial as well as the scientific possibilities.

Each year our club closes its activities by giving a party which is greatly enjoyed by all. During

the year occasional trips are taken for scientific study.

The Plant Hi Science Club is affiliated with Science Clubs of America. Mrs. Marguerite Smith is the sponsor and the meetings are held in her Home Room.

CAMERA CLUB

One of the outstanding clubs in Plant High School is the Camera Club. This club is composed of thirty students who wish to further their interest in photography.

In order to obtain the best pictures possible for the State Fair Exhibit, a series of interclub contests were held. These contests instigated a rivalry among the club members.

Last year the Camera Club made a trip to Bok Tower and Cypress Gardens. This year it planned an excursion to the Marineland Studios in St. Augustine.

QUILL AND SCROLL

To the thousands of student journalists serving on yearbooks and newspapers, high school journalism is no mere educational "fad or frill," but a highly fascinating intellectual adventure. So broad is the appeal of journalism that it is estimated that the field comprises forty thousand publications of various types and classes.

From the interest of such journalistic matters, an organization "The Honorary Journalistic Society," or the Quill and Scroll, was formed in 1926. The purpose of the Society is to encourage and reward individual achievement in journalism. The Society has always taken an active part in raising standards in its field and in directing the course in high school journalism.

All members of the Quill and Scroll must be chosen from the students enrolled in high school. They must be at least juniors in standing and in the upper third of their class in scholarship. It is also required that they have done superior work in some phase of journalism. After the candidates are approved by the advisor, some of their work is sent to the international officers to be approved by the executive secretary.

The members of the Quill and Scroll are recommended by the advisor, Miss Terry Gil. Members from "The Panther" staff who are recommended by Miss Ruth Gilliland, annual sponsor, are eligible for membership. Initiation of new members is held once each year during the latter part of the spring semester.

THESPIANS

The highest dramatic honor which a Plant student can receive is to be chosen as a member of the National Thespian Society. Membership in the Plant Chapter Number 321 is based on a credit system, as points are given for participation in plays, assemblies, and other dramatic programs.

A branch of a national organization, the Thespian aim is to create an active interest in dramatics among boys and girls in high school and to stress participation in dramatics as the means of teaching students the standard of evaluation and appreciation of the theatre, radio, and screen.

Founded in 1920 at Fairmont State College, the National Thespian Dramatic Honor Society now has 837 chapters. The club motto is "Act well your part, there the honor lies." Membership in the

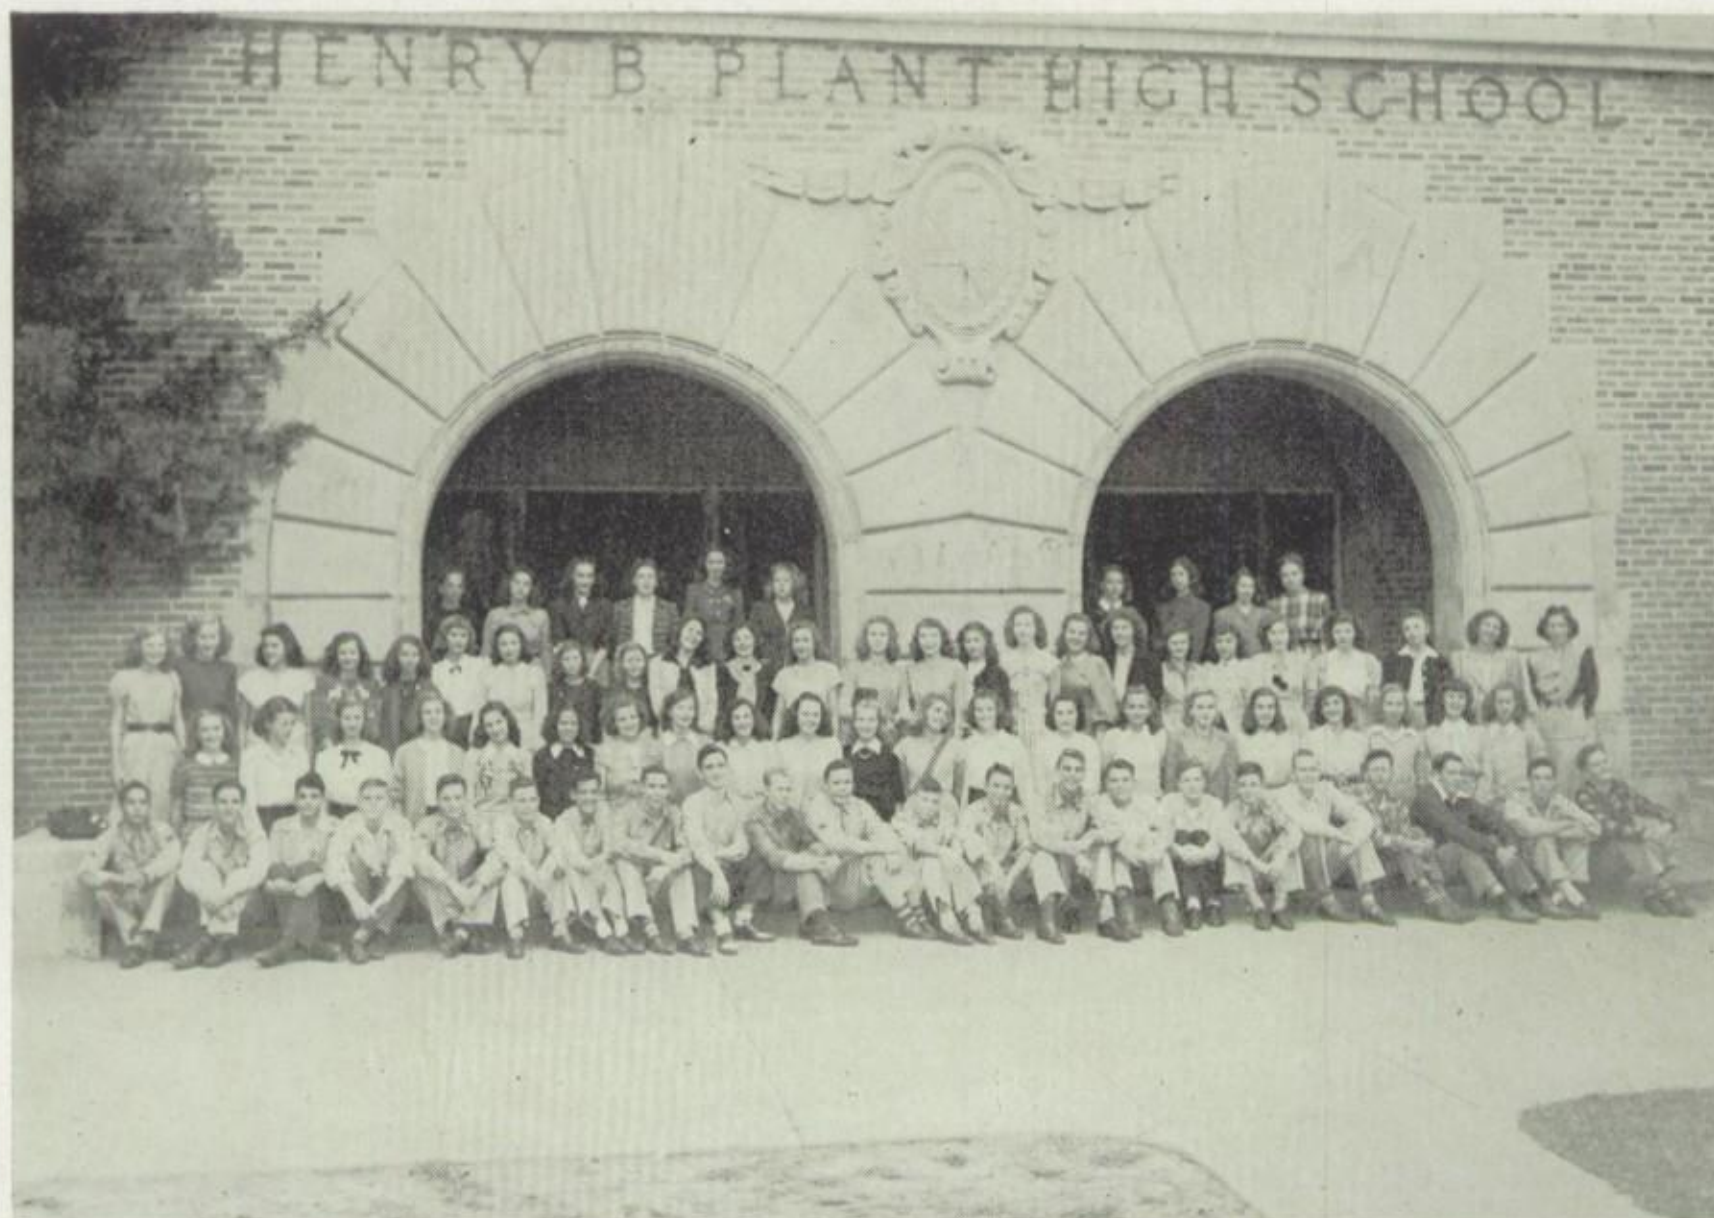

Thespians places upon the students the obligation of performing even greater work.

To give pupils a chance to earn points towards membership, the Thespians helped in the sponsoring of a series of classes on theatrical work.

This fall an old fashioned one act melodrama, "Timorous Tommy and Bad Bill," was presented in assembly by the officers of the club.

DRAMATIC CLUB

The Dramatic Club offers to its members and pledges numerous opportunities in connection with the stage. Make-up classes, conducted by Bob Puckett, showed the correct method of applying grease paint, while various methods and uses of lighting were presented by Andy Duncan and Phil Perkins. Several plays, directed by the students themselves, offered opportunities in every field of stage work.

The productions presented by the Dramatic Club this year were for the benefit of members and others interested, and were held after school.

Students connected with "A Date for Bobby Sox" were: directors; Robey Frazier, Joe Fleischman; cast; Gloria Castro, Shirley Kohn, Robey Frazier, Joe Fleischman, Frances Sammeck, Johnny Fernandez, Frank Carter, Peggy Tyler, Anne Brake

Jones, Pattie Boring, Thad Brooks, Laurie Linebaugh and Phil Lee.

In "Life of the Party" there were: director; Bob Puckett; cast; Bitsy Nance, Carol Jean Carter, Wilma Cowart, Brucie Humphrey, Dick Blunt, Dick Thomas, Bob King, Ben Waller, Bob Puckett, Dan Whiteside, and Mary Whiteside.

In "The New Bride" there were: director; Ross Wheatly; cast; Billy Dawson, Frank Carter, Bob Tait, John Swindle, Alma Paulet, Lula Zazopoulos, Nan Nathan, Henry Shell.

BATON CLUB

The Baton Club, formerly called the Majorette Club, was formed for those students who are interested in the art of baton twirling. To become a member, a student must be able to execute a previously assigned routine within six weeks after applying for membership. Only sophomores and juniors are eligible to join this organization.

Meetings were held during homeroom periods the first and fourth Tuesdays of each month in the band room. A member will be dropped from the group if he misses more than two successive meetings. Each twirler must know the fundamental

routines or be considered inactive until he learns them.

During elections the president casts a vote only in case of a tie. He may take any action that does not violate the club's constitution.

Officers for the first semester were:

<i>President</i>	- - - - -	MARY LOU THOM
<i>Vice-President</i>	- - - - -	SARAH PLUCHE

CHEERLEADERS

The Cheerleaders for the year 1947-1948 were truly veterans at the art, since all but three of them had seen two or three years of experience as leaders. The Junior and Senior members were elected by the student body in the spring of '47, while the lucky Sophomores were selected by a committee in the fall. For the first time in the history of Plant there were twins on the cheering squad and the students are justly proud of their "Dolly and Polly."

Following the practice which was initiated last year, Grace Benham was appointed manager and Martha Bowen was appointed head cheerleader. These two helped the sponsor in planning and conducting all pep rallies, supervising practice periods, helping work out new cheers, and arranging programs.

The Cheerleaders held their regular meetings where business plans were worked out with the

group. In addition to their regular schedule, the group gave a supper for the Cheerleaders of Hillsborough High and sponsored a very successful dance. They also decorated goal posts for several games. They were especially proud of their work at the Thanksgiving Day game when Phillips Field showed the results of their artistry which justified the many compliments heard on every hand.

Letters earned by the Cheerleaders were awarded at an assembly program at the same time that physical education awards were made.

The Cheerleaders were:

SENIORS — Grace Benham, *Manager*; Martha Bowen, *Head Cheerleader*; Marjorie Bourne, George Menendez, Jeanne Flynn.

JUNIORS — Dolly Albok, Linnore Olsen, Jean Stallings, Patsy Delaney.

SOPHOMORES—Dolly Leinbach, Polly Leinbach.

THE PLANT BAND

The Plant High School Band started off its year's activities with the usual run of football game half-time performances. A great deal of time and intensive effort were given to marching drill and field maneuvering each week, from the beginning of school to the end of the grid season. Each band-member has expressed his loyalty and cooperation in the attempt to give Plant High School a musical organization of which it can be justly proud.

P.T.A. programs, concerts, parades, reviews and assemblies all marked the number of appearances

made this year. New instruments, uniforms, and equipment which have been added since September have greatly "smartened" the appearance and sound of the band.

At the District Band Contest, always a momentous occasion for Panther musicians, first places were won by almost every entry, including our twirlers, who ranked with the best of them. The meeting at Miami in April was the highlight of the year when all district winners competed for state honors.

THE GIRLS' CHORUS

The Plant High School Girls' Chorus, a regularly scheduled class, meets during the third period each day of the week for an hour's intensive vocal training. A great amount of standard vocal literature is studied and rehearsed for perfection of tone, blend, balance and interpretation.

Enrollment into the chorus is based on a desire to sing, previous choral training and a willingness to display the singing voice at its best, although outstanding vocal quality is unnecessary.

The Chorus began its work at the opening of the school year with twenty members and will close in June with nearly sixty. The interest in group singing invariably rises to meet the need of the individual expression and this year was no exception to this well-founded rule.

This group has been called upon at numerous occasions to furnish entertainment at service clubs and civic organizations of Tampa as well as a number of churches throughout the city.

MONITORS

The monitor system was installed at Plant in the spring of 1944. The purpose of the organization is to eliminate congestion in the halls and to better sanitary conditions in the lunchroom, halls, and on the school grounds.

Appointed by the president of the student body with the approval of the principal and the sponsor, the head monitor is responsible for appointing members of his committee. Head monitor for both semesters this year was Walter Grahn, with Jack McGregor serving as his assistant.

It is the duty of the lunchroom monitors to keep students from leaving the lunchroom with food

and also from leaving trays and trash on the tables. Traffic monitors eliminate congestion and running in the halls and unnecessary disturbance of classes. Ground monitors are commissioned to keep students from leaving the school grounds during lunch hours.

In the lunchroom are student cafeteria helpers under the direction of Mrs. Veal, manager of the Cafeteria. Cafeteria helpers receive free lunches in payment for their services as food servers, cashiers, and table-cleaners. This organization has done much to lighten the work of the adult cafeteria employees.

THE HISTORY OF PLANT'S DRIVING CLASSES

When the need was recognized for high school driver training, a new course was included in the curriculum of Hillsborough County. If in the teen-age group, at the beginning of their driving careers, there can be developed proper attitudes with resulting safer driving habits, then a great step will have been accomplished toward reducing traffic accidents.

In September two driving classes were organized by Mrs. Julia Lane. A shiny new car and other devices were provided for our study and testing. After studying our text books, "Sportsmanlike Driving," we outlined each chapter and took weekly standardized tests.

Along with our regular class and "behind the wheel" training, we observed traffic and pedestrian habits. We also took a trip to Traffic Court, and got some first hand information about the penalties one pays when he is not a courteous, cautious and law-abiding driver. Then we went to the Ferman Chevrolet Company, where we were given some information about our car by a professional mechanic.

Our written tests plus our driving knowledge were suitably rewarded, when at the end of the Semester we each received an "Operator's License." The course proved to be very interesting, and, under the guidance of Mrs. Lane, we all enjoyed it!

YOUTH FOR CHRIST

The Plant Chapter of the Youth for Christ was organized in the Fall of 1946. Since then it has increased in membership and interest. The Plant Chapter is a high school branch of Tampa Youth for Christ which in turn is a branch of the Youth for Christ International. The whole organization, including Saturday rallies, is conducted on a strict interdenominational basis and no controversial doctrines are taught. Both the club and city organization seek to cooperate with all churches. Membership in this club is open to anyone.

The purpose of the Youth for Christ club is twofold. First, it will seek to win to Jesus Christ those who do not know Him as their personal Savior, urging them to make a public profession of their faith and to affiliate themselves with some church. Second it will endeavor to enrich the spiritual life of

Christian young people and thus prepare them for a more fruitful service in their own church.

Rallies to further this purpose are held every Saturday night at the First Baptist Church. Attendance contests among schools are held frequently and a trophy or a banner is awarded to the winner. Everyone is invited to attend these rallies.

PLANT PUPPETS AND PUPPETEERS

The Art Students of Plant High, under the direction of Miss Maynard, modeled, made and manipulated a Puppet Show which was presented at the Florida State Fair and received much favorable comment. The show took the place of the school exhibits of former Fairs.

The students spent two months in making, dressing and stringing the twenty-four puppets which were used in the show. They modeled the heads in clay and made casts of Plaster of Paris. They then filled the casts with plastic wood and when the heads were completed and painted attached them to bodies made from wood, leather and cloth. They dressed the puppets to represent such characters as a farmer, a colored boy, a pirate, a laborer, "Little Abner," and "Miss New Look."

All of the students took part in dressing the puppets, for the girls were glad to give a helping hand to any boy who was not skillful with a needle.

The Puppeteers presented the nine acts of the show each day of the Fair, serving in groups of six members, with one member of each group acting as a leader. Each group was responsible for a day at the

Fair. Three mid-term graduates also assisted in the presentation of the show. Each group was kept busy, not only putting on the show but also, between the acts, patching everything from broken heads to broken strings. Nevertheless, they had a wonderful time and found that by close cooperation and skillful direction they were able to make a success of their first "Puppet Show."

SABER CLUB

The Saber Club is an organization of the commissioned officers of the Plant High R.O.T.C. Battalion which is sponsored by Capt. Howard A. Stevens, Asst. P.M.S. and T. at the school.

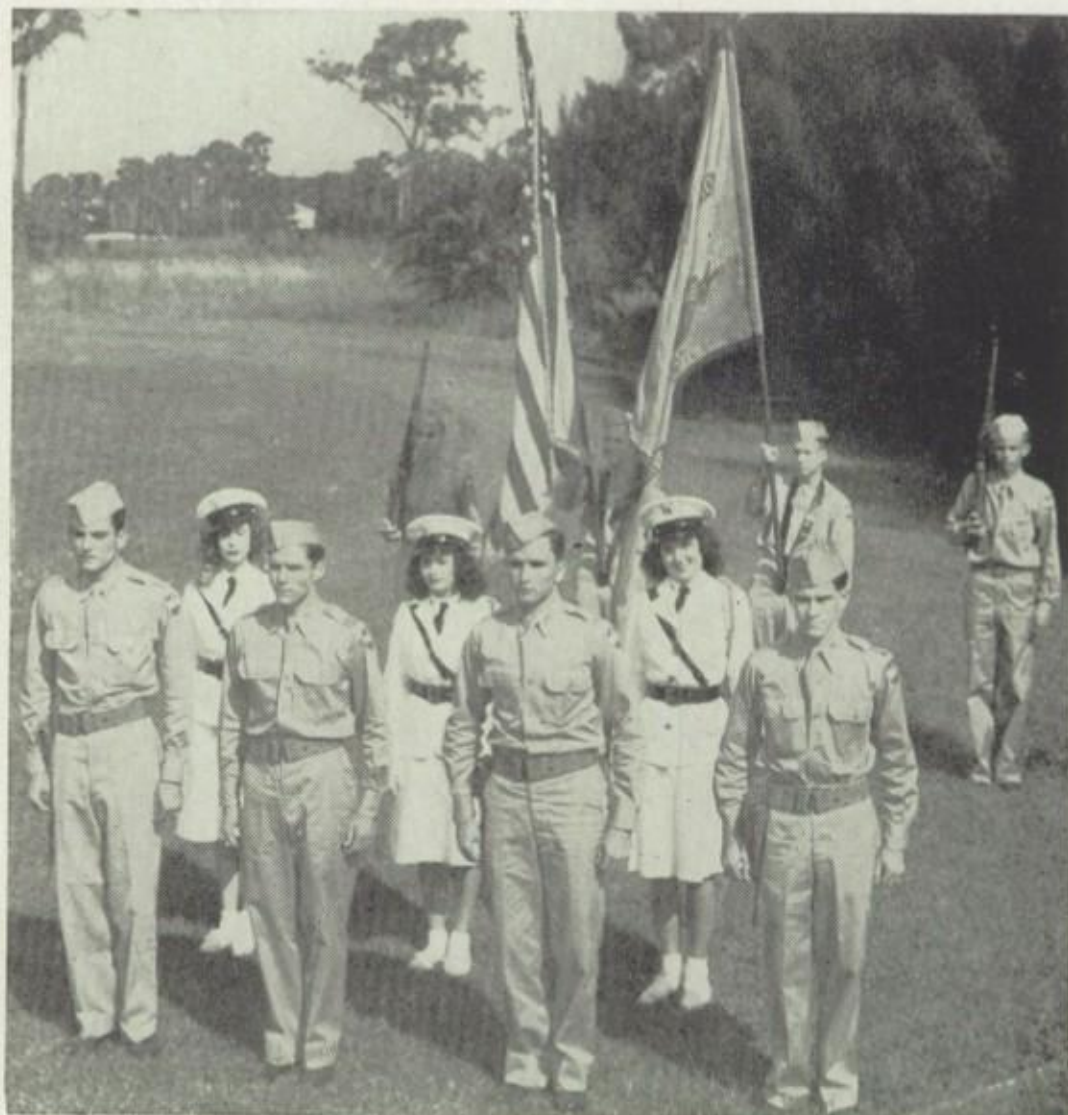

The purpose of this club is for the advancement of R.O.T.C. in the unit in all possible ways.

Members attend meetings to decide upon the different ways of improving the unit and to discuss other military matters.

At the end of the school year a Military Ball is held which is attended by all cadet officers and enlisted men and their dates. All units of the Tampa Schools participate in this event.

Club officers for the first semester are:

FOOTBALL RESUME

JIMMY HUGHES

MIKE RUGGLES

BOBBY SHERRILL

The Golden Panthers of Plant enjoyed a successful football season during 1947 when they won five games and lost four. The team was inspired to put up a stiff fight in every game it played by Head Coach Jimmie Hughes and Assistant Coaches Perry Ruby, Mike Ruggles, and Bobby Sherrill.

The team won its five victories over Julia Landon of Jacksonville, Jesuit of Tampa, St. Petersburg High, Tarpon Springs High and Lakeland High. They lost the four games to Andrew Jackson of Jacksonville, Orlando High, Jefferson High, and to Hillsborough High on Thanksgiving Day.

Throughout the season each member of the team gave his best in every battle and never stopped trying until the forty-eight minute mark was reached.

When the "All Tampa Team" was selected, the three Plant gridders who were chosen to represent Plant High were Bob Hewlett, Walter Baldwin, and Pete Milian. Walter Whitehead, John Lynn, and David Hyman were chosen for second string berths. All of these men won their coveted positions as a result of their outstanding work throughout the season.

THE SEASON'S SCORES

The season opened by an intra-city clash with Jesuit. Although the downtown boys put up a good scrap, the superior man power of the Palma Ceians was the deciding factor and they emerged on the long end of a 20-0 score.

PLANT 20—JESUIT 0

FOOTBALL MANAGERS

A. Peacock, L. Goodrich, B. Stevens, T. Mooney

The Golden Panthers followed up with another win over the Landon Lions on strictly ground work. The Lions could not crack the Panther's forward wall and took to the air. Conrad, Salario, and Kolurous were outstanding linemen, while Hewlett and Baldwin stood out in the backfield. Final score 27-13.

PLANT 27—LANDON 13

Orlando's tricky T-formation kept the local Palma Ceians baffled and Ross, a 192 pound half-back, continually pounded the line for gains. The Hughes boys fumbled and folded the last quarter when Orlando scored four times.

PLANT 8—ORLANDO 31

Not completely recovered from the upset by Orlando, the Panthers traveled to Jacksonville only to be defeated by Andrew Jackson by a close score of 19-13. Hewlett scored twice.

PLANT 13—ANDREW JACKSON 19

The determined Panthers grabbed a second non-conference win from strong Tarpon Springs eleven in the second game away from home. Baldwin and Hartley both turned in fine performances on defense, while Hewlett and Salario were the spark on offense.

PLANT 13—TARPON SPRINGS 0

Plant scored its second conference win over the huge Green Devils in an upset on the Panthers' home station. Cigarran and Wright were outstanding on offense. Wright kicked three out of four extra points and Cigarran intercepted a pass and set up two scores.

PLANT 27—ST. PETERSBURG 14

In the next tilt, the Panthers were dropped by a fighting Jefferson eleven. This win gave the Dragons their first city title. Hewlett scored the only tally for the Panthers.

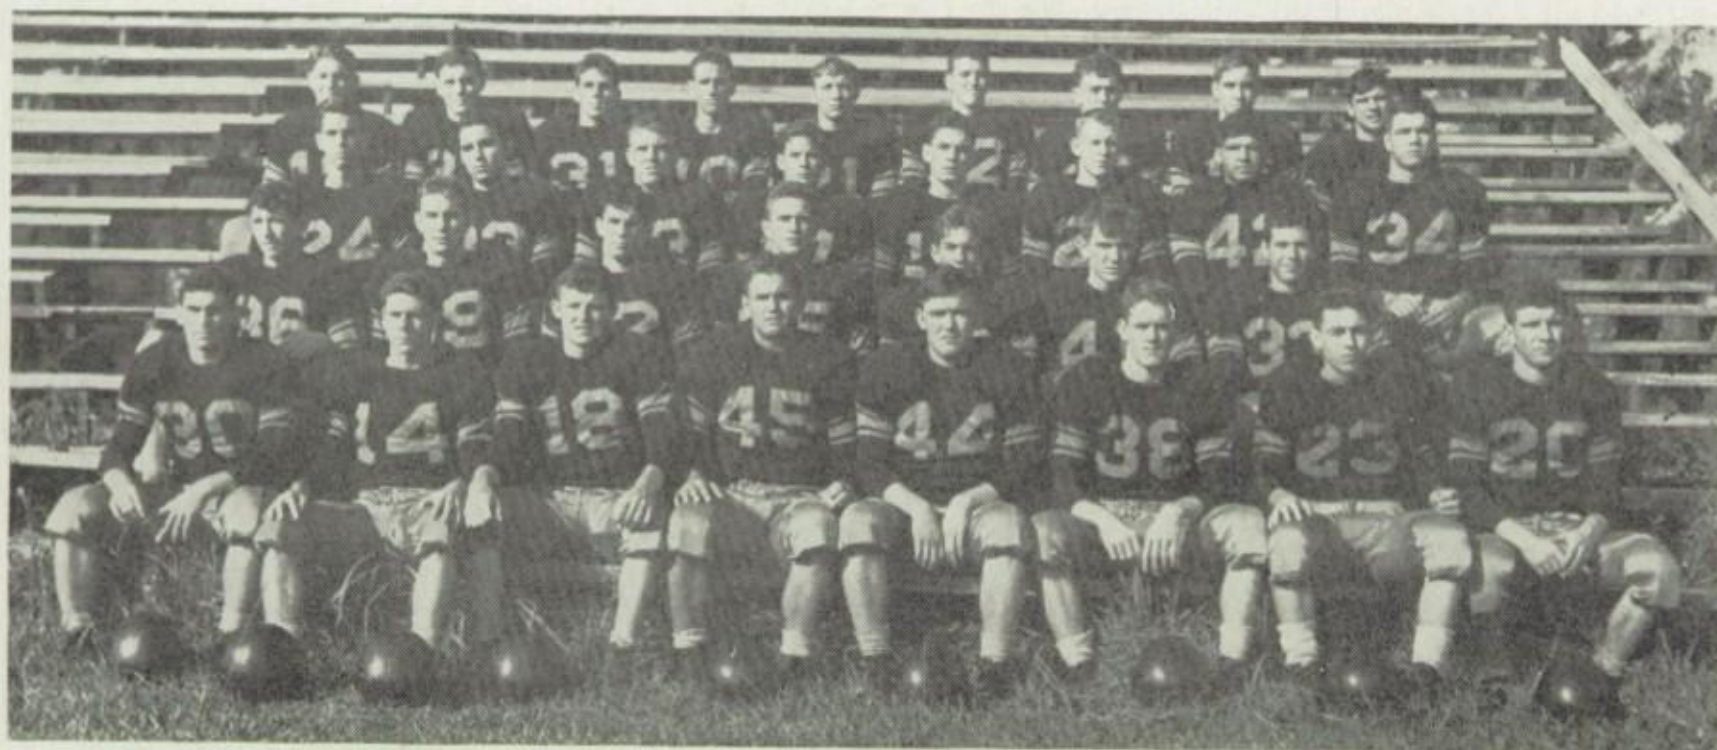

PLANT 6—JEFFERSON 13

The Panthers reappeared in the win column when they torpedoed the Lakeland Dreadnaughts 26-7. Hewlett scored twice and Whitehead and Cigarran scored one each. Wright kicked two extra points in three tries.

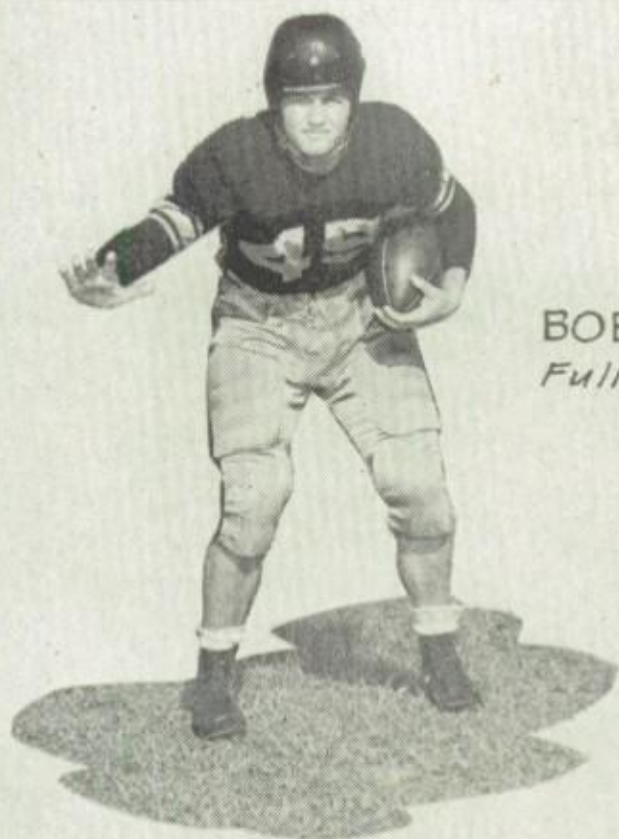

PLANT 26—LAKELAND 7

The Panthers met their ancient rivals, the Hillsborough Terriers, and after a hard fought scoreless first half, the Terriers broke loose their elusive fullback, Ken Sumner, who sprinted 77 yards for the only score of the game. Both teams played even all the way except for one brief play, and the Panthers suffered their fourth consecutive loss to Hillsborough.

BASKETBALL

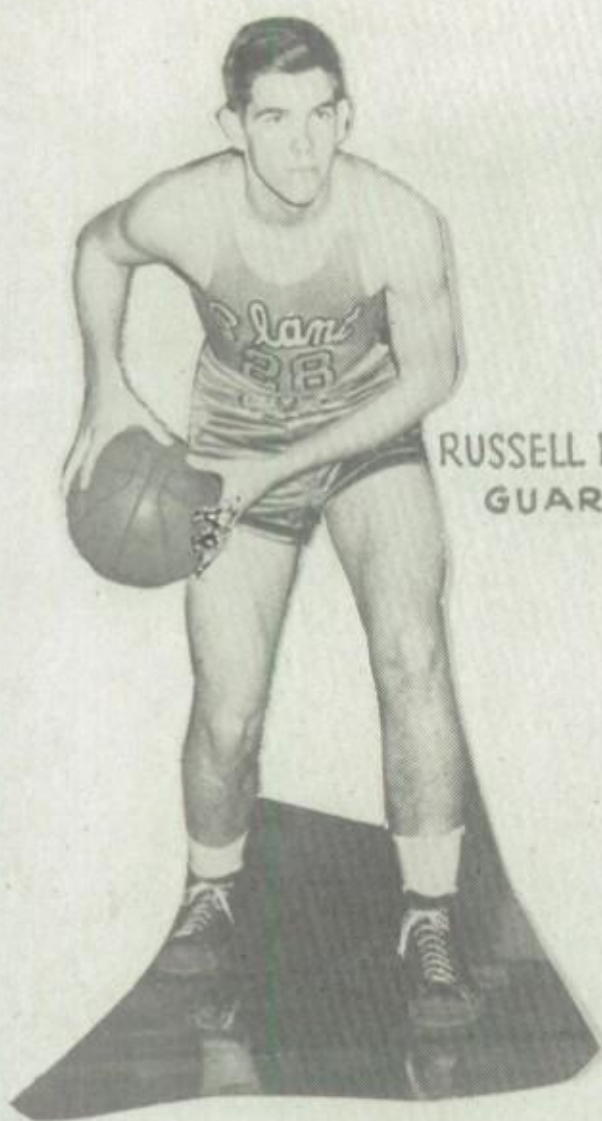

Plant's 1947-48 basketball team demonstrated its good teamwork and fine play throughout the season. The Panthers, directed by Coach Hughes, won nine games and lost ten.

In the Regional Tournament, Plant defeated Clearwater, 37-23, when they met in the Palma Ceia Gym, but lost to St. Petersburg, 44-27, at the Armory.

KING VERNON *of the House of ELLIS*
QUEEN JEANNE *of the House of FLYNN*

PANTHERILLA ROYALTY

Long live King of Pantherilla and his royal Queen!

The Year of our Lord MCMXLVIII ushered in our noble King Vernon of the House of Ellis and our beautiful Queen Jeanne of the House of Flynn. They, with their royal court, will reign for a year over us, their loyal subjects, gallant knights and lovely ladies of the Kingdom of Pantherilla, situated in the heart of Plant in Palma Ceia.

Since the Year of our Lord MCMXXVIII we have been under the sway of twenty powerful sovereigns and their queens who have bound us to themselves by their gracious and royal authority.

The line of succession requires that each new king and queen be members of that royal line through whose veins flows the blue blood of those valiants known as "Class of Senior A"; also, that they be chosen by popular acclaim in the Spring of each year.

The members of the court, known as courtiers, maids and witnesses must be members of the kingdom whose blood is of a less rare type known as lower classmen.

The entire kingdom, including their royal highnesses and the members of the court, are kept in a state of suspense for many days and nights until, upon the appointed date, on the stroke of eight, the Lord Chamberlain begins intoning the names of the witnesses and the royal maids and courtiers. At the height of the suspense, the names of the new king and queen thrill the hearts of their subjects and again illuminate the greatest social event in the Kingdom of Pantherilla.

After the pomp and ceremony of the coronation, it is the custom for the royal court to preside over the King's Ball which marks the end of the beautiful ceremony.

Nowhere in our fair land can be found more charming scenes than those which grace this colorful festivity. Fragrant flowers, sparkling jewels, gorgeous costumes, flashing eyes and radiant youth combine to paint pictures which will linger in the minds of all devoted subjects until the year comes to a successful end under the scepter of King and Queen of Pantherilla and their Royal Court.

LETTER OF APPRECIATION

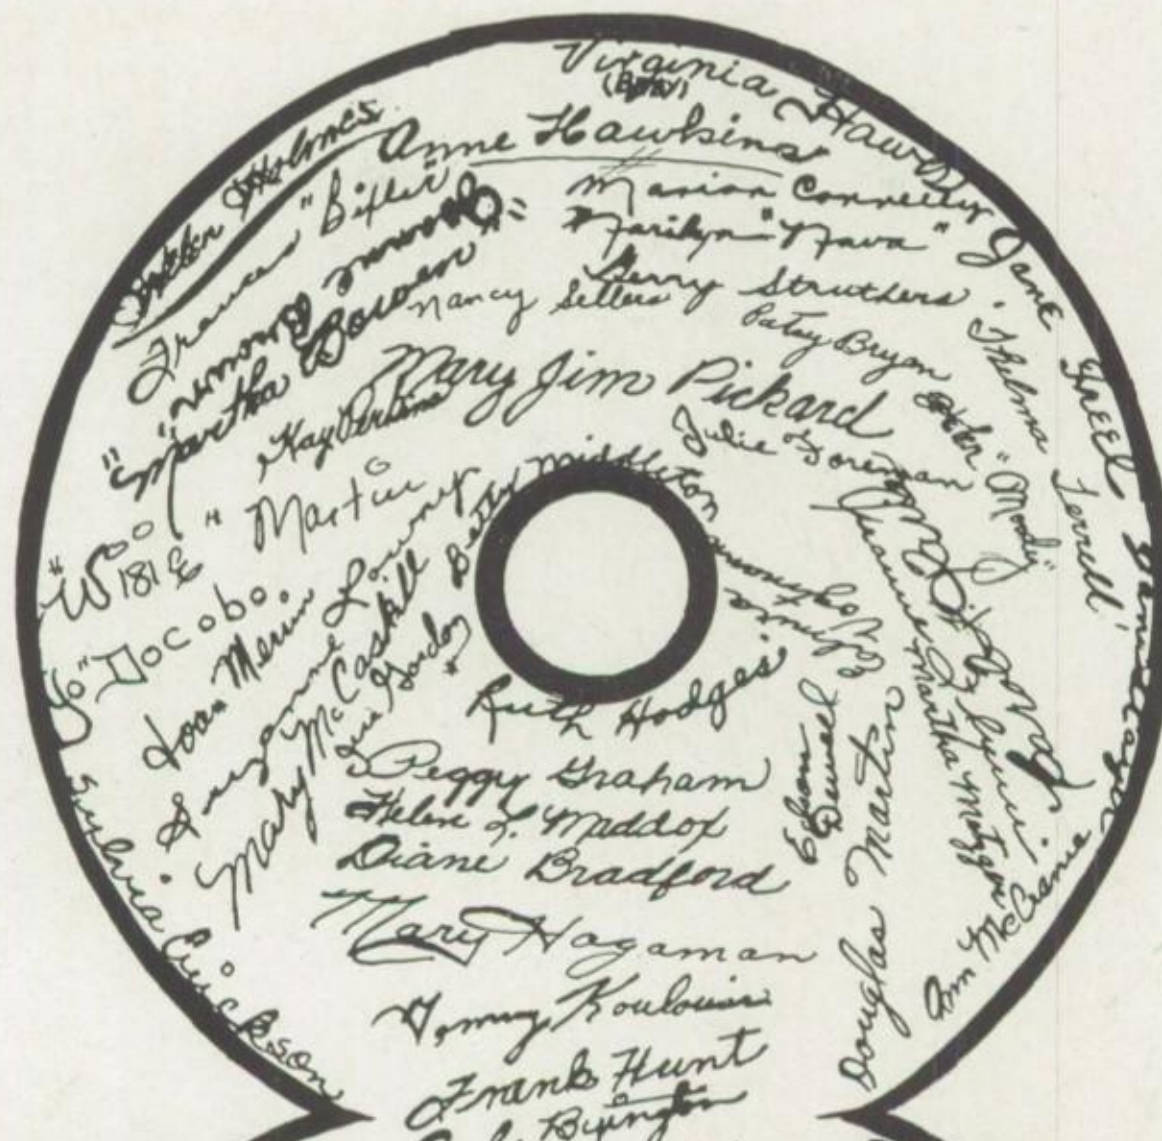

We, as members of the 1948 Panther Staff, wish to express our appreciation and acknowledge the wonderful co-operation and patience shown to us by our sponsors, friends, parents, teachers, and fellow students.

We hope that this 20th edition of the Panther will record for you your happiest high school memories.

Sincerely,

ANN BRYAN,
Editor-in-Chief

You are a swell guy
so don't change

Glenn Burt

Thank you,
You're really one swell
boy and you certainly do
deserve the best of everything.
Goodbye luck and I hope
we're together again. It sure
has been swell having you
as a classmate.

Corrwell

Hugh,
Here's wishing you
all the luck in world
this summer and I hope
to be in the same class with
you next year.

Hugh
Best of Luck
in everything
you do. Al
has really been
fun knowing
you.
Sincerely,
David W. Fitts

Human - one of the greatest
pleasures I have ever had
has been knowing you.
I'll be losing a good friend
when you take off for Ala. I hope we
can get together sometime soon. I wish you
all the luck a swell fellow like you deserves.
Have good bye to you all the
Phil R.

Dear Hugh,
Lots of luck to a
nice boy.

Carter

Dear Hugh, really
you're too
one way as sweet
as you are sweet
always, hear?
Best of luck to you,
Love, "Brookes"
June

PET-LICE:

YOU'RE AN O.K. GUY.
B GOOD + DON'T GET
FOXED

Hugh,
You are a swell
guy. Best of luck
always because you
deserve it. Best wishes,
Dick Blount

Dear Hugh,
Lots of luck
to a swell guy,
although I know you don't
need luck, you're smart enough
to get along without it.
Your friend,
Richard Van Horn

DEAR Hugh -
WE'VE REALLY
had lots of fun
being in the same
H.C. these two years -
I'm awfully sorry
you're going so far
away, but maybe
you'll come back now
and then to see us -
lots of luck to you
in Mobile -
Love -
Joyce McElean

Dear Hugh,
It really has been
swell knowing you.
I know you'll always
succeed in everything
you undertake because
you've got what it takes.
Best of luck always,
Virginia Musselman

Hugh, I've had fun
you're really a
swell guy and I
wished you every
success in all the
world. Love -
Lana

Hugh, you're really swell and I know
you'll always succeed if you
try just a little. Here's
hoping that you will
be in dear old Plant
next year.
Good luck!
June

Dear Hugh,
 Best of luck
 and happiness
 throughout life -
 you deserve it.
 Don't forget me
 after you move
 away.

Always,
 Shirley John

Hugh
 You are one of the
 smartest guys I have
 known
 Best of luck
 Larry Good

Best of luck to
 a swell guy. I hope
 you find what
 all you expect fit
 to be. I hope you
 are a success in
 all you undertake,
 Best wishes,
 Bob

Hugh,
 Here's wishing you
 the best of everything,
 and hoping we get
 exempt in English,
 Frank Jackson

Hugh
 Because you are my friend
 in the world and the luck
 best wishes all you have
 with your friends
 John Jackson
